

Clothier Street, Putaruru

Kia ora neighbour,

With the strong and increasing demand for housing in the Waikato, Kāinga Ora – Homes and Communities has a large build programme underway. We currently have plans to build and purchase over 850 new modern, warm and dry homes in the region over the next few years.

Here is a snapshot of activity occurring in Putaruru and Tokoroa.

Kāinga Ora

The primary role of Kāinga Ora is to provide public housing across New Zealand. We also administer a range of products to help people into home ownership and partner with Council's on larger community developments.

We not only work directly with people living in our homes, we also rent or lease properties to community organisations working with whaanau for supported housing. The homes that are currently being planned and built are the first homes Kāinga Ora are developing in the District since before 2000. Future redevelopment projects are being looked at as 70% of our homes were built prior to 1980. We are investigating the best use of all our houses to ensure they meet the needs of our customers.

Putaruru

Approved Resource Consents, construction occurring or about to begin (14 new homes)

- Scotia Glen Street (5 two-bedroom and 5 three-bedroom homes)
- Clothier Street (3 three-bedroom and 1 four-bedroom homes)

Tokoroa

Resource Consent Submitted to Council (13 new homes)

- Clyde Street (7 two-bedroom, 3 three-bedroom, 2 four-bedroom and 1 five-bedroom homes)

Who will live in the new homes

Kāinga Ora will match homes to families to be their long term homes, with priority given to those in greatest need, while considering location due to work, wider whaanau, and education.

Community Engagements

Community Engagement is ongoing. Our team are available to talk with people around any of our activity in the Region. We will keep our website updated as projects receive Resource Consent from Council. Across 2023 we will be at Overdale and Tokoroa Community Centres every second month to continue these conversations.

The new homes for Clothier and Clyde Streets are being constructed off site and will be delivered once they are built.

Healthy Homes

Kāinga Ora currently has 39 homes in South Waikato District. The Residential Tenancies (Healthy Homes Standards) Regulations (2019) sets out minimum standards for heating, insulation, ventilation, moisture ingress/drainage, and draught-stopping. Kāinga Ora has to ensure all homes across our portfolio comply with these standards by 1 July 2024. Work is underway in the District to ensure all our homes meet these standards. As at 30 September 2023, 38 now comply, and 1 remaining home will be addressed before July 2024.
