

# Community Hub - Update

## Karaka Street/Orchard Street

### Kia ora neighbour,

We're excited to share some news about your Community Hub located on the corner of Karaka and Orchard Street, Stoke.

With the help from our friends at Mitre10 MEGA Helping Hands and our local contractors, we are nearing the completion of this project.

We wanted to keep you up to date with what to expect over the next few weeks. It's been a long time coming and we thank you for your patience.

### What work is being done?

You will see contractors on site in preparation for the Hub's opening on **24 February 2024**.

Here is an estimated timeline of work being completed before then:

- ❖ January 2024: Removal of timber fence, pouring the concrete slab foundation, and the building moved onto concrete slab
- ❖ February 2024: Installation of wall cladding, connection of services to building, and landscaping

### What is the Community Hub?

The Community Hub is for you, and your community. To ensure it serves you and your community best, we want you to tell us how you'd like to use this space.

We hope this Community Hub will be a space for you to come together, connect with one another and local service providers. A space to share kai, stories, to seek support or to offer support to others.

We envision this will be a place that can adapt with its community to provide meaningful interactions.

### How can I share my ideas for the Community Hub?

Attached is a form to share your thoughts, wishes, and ideas. There's also a **competition to win \$100!!**

We will collate your ideas and do our best to deliver them, with the hope of creating a space that meets your needs.
